

RIDE SMART, RIDE TOGETHER

RIDE WITH THE FLOW

Always ride with the flow of traffic, and do not pass slow or stopped vehicles on the right even when there is a bike lane. (ORC 4511.25, 4511.27)

BE BRIGHT

Bike lights are required at night – red for the back, white for the front. (ORC 4511.56)

FOLLOW THE RULES OF THE ROAD

Bikes are legal vehicles and should follow all the laws of the road. (ORC 4511.01)

BE PREDICTABLE

Use hand signals when turning and only stop when it's safe to do so. (ORC4511.39)

Under Ohio law, bicycles belong on the roadway. Everyone must share the road safely. Everyone must know and understand the laws so we can all get to our destination safely, regardless of how we choose to get there. Let's ride together, Cleveland!

Bike Cleveland is a powerful advocacy organization working to build livable communities by advocating for the rights and equality of the cycling community. Learn more at BikeCleveland.org.

DRIVE SMART, SHARE THE ROAD

KEEP A SAFE DISTANCE

Give cyclists at least 3 feet of space when you pass them on the street.
(CLE 431.03d)

SHARE THE ROAD

Bikes are legal vehicles and belong on the road. Cyclists can use the full travel lane just like cars. (ORC 4511.01, 4511.55)

PAY ATTENTION

Expect bikes on the road and pedestrians in crosswalks. Look for bikes before you change lanes or make a turn. Always yield to bikes and pedestrians at turns and in driveways.
