

MAYOR JACKSON,

**WHERE ARE THE
DETROIT AVENUE
BIKE LANES?**

Indianapolis = 75 miles bike lanes in 4 years.

Memphis = 50 bike lanes in 2 years.

Detroit = 80 miles of bike lanes this year.

The City of Cleveland promised to install 1.7 miles of bike lanes on Detroit Avenue one year ago. The residents of Cleveland are still waiting for that promise to be kept. **What's the delay Mayor Jackson? Install the promised bike lanes on Detroit Avenue in September. Lets make our streets safer for all users.**

**Hon. Mayor Frank G. Jackson
Cleveland City Hall
601 Lakeside Ave.
Cleveland, Ohio 44114**
