Virtual Public Information Presentation

**When:** June 11, 2020 through June 21, 2020

**Where:** www.west65thcle.com

*If Internet access is not available, please contact City’s District Planner, Adam Davenport, at (216) 664-3800*

**What:** The purpose of this presentation is to provide information and receive feedback on design features and plans for the upcoming West 65th Street Rehabilitation Project. *If Issue 1 funding becomes available, construction is scheduled to begin in September 2020 and to be completed in September 2021.* The proposed improvements on West 65th Street from Denison Avenue to Herman Avenue include:

- Complete asphalt resurfacing, including full and partial depth pavement repairs where needed.
- Removal of underutilized paved surfaces in treelawns to increase vegetated areas, improving corridor aesthetics, downstream water quality, and neighborhood walkability.
- Sidewalk, ADA-compliant curb ramps and drive aprons as necessary.
- Improved pedestrian crossings including installation of rectangular rapid flashing beacons (RRFBs) at select crosswalks.
- Traffic signal upgrades at Storer, Bridge, and Franklin intersections.
- Signing and pavement marking upgrades, including bike lanes between Denison and West Clinton.
Estimated Cost: $5,900,000
Funding Source: Ohio Public Works Commission, City and Utility funds
